

DuPont Teijin Films Hopewell Environmental Policy

The DuPont Teijin Films Hopewell Plant is committed to protecting the environment and continually improving our environmental management system (EMS) to enhance environmental performance while fulfilling ISO 14001 and corporate requirements. We will drive to prevent pollution and continually reduce our waste and emissions. We are committed to zero environmental incidents. We are committed to fulfilling our Compliance Obligations and striving towards environmental excellence in all that we do.

MARK W. ALLEN
Plant Manager
